

Quentin Boan is an Associate Director in the corporate and commercial team led by Geoff Rees. Quentin has had high level exposure in dispute resolution and corporate advisory in a broad range of commercial matters including:

- Construction law including advisory and advocacy services;
- Contractual disputes & dispute resolution including arbitration (both commercial and international) and contract termination.
- Product liability;
- Drafting of commercial documents including sale agreements, lease documents and licensing agreements;
- The protection and enforcement of intellectual property including drafting and superior court litigation;
- Property law and leasing;
- Interpretation of and advising on insurance policies;
- Dealing with national advisory firms on the complex matters of scoping and reliance in respect to the provision of information upon which third parties rely; and
